We are pleased to welcome you and introduce you to a unique offering curated by the Company — a **bundled overseas travel support package that includes access to global travel assistance services along with a travel insurance policy**, underwritten by a leading insurance company in India.

This value-added offering has been thoughtfully designed to enhance your travel experience and provide peace of mind during your journey. While the Company has facilitated and marketed this bundled product for your convenience, please note that the travel insurance and travel assistance services are independently provided by third-party service providers with whom you are directly connected through this arrangement.

The Company does not underwrite, issue, or service the insurance policy, nor does it provide travel assistance services. Our role is limited to facilitating access to this bundled solution and assisting you in connecting with the respective service providers.

We strongly encourage you to carefully read and understand the insurance policy wordings and the service terms provided by the respective service providers to fully understand the scope of coverage and assistance available to you.

What you can expect from this bundled offering:

- 24x7 overseas travel assistance from a reputed service provider.
- Travel insurance cover (please read the policy wordings before you travel. Brief details as below).
- Ongoing support from the Company in helping you navigate and access these services
